Audition Info

Each audition slot takes about 15-20 minutes. We'll have you show us note retention (we play notes and you sing them back to us), sight reading (don't stress too much, just try your best!) and a short solo from the song of your choice. The solo is a great time not only to show off your voice but to also to show us the kind of music you like. Don't be afraid to sing an oldie or something from a more obscure genre – just stay away from musical theatre music! GnB never really sings musical theatre so it's in your best interest to audition with something else. There will be 4-5 people there for your first audition.

After all the auditions are done we'll send you an email letting you know if we'd like to see you at callbacks or not. That email will also have all the info you need to know about callbacks.

Basic info about GnB

Practice times: Sunday/Wednesday from 7:30-10:00 in Marquette Hall

Performances: Gold 'n Blues has a wide variety of performances throughout the year. We have our own concert each semester, take part in Acatoberfest, and hold a joint concert at Christmas with the other a cappella groups. It's also common for us to sing around campus for different events or organizations. And we sometimes travel to sing!

Current members: GnB currently has 10 members.

New members: We take anywhere from 1-8 new members each year, it just depends! These can be from any grade (including grad school).

As always, email us if you have any questions! We're looking forward to hearing you guys sing!
